

MG Questionnaire

Editor Note: At the last meeting I mentioned that I was all out of the responses to the Questionnaire that I put out last July. I greatly appreciate the responses that I received and I hope that you found them to be interesting, funny and informative. For those members who have already filled out and turned in one, there is no need to do another.

For those members who have not yet participated please take a few moments to answer the following questions so club members can get to know you better and have some fun also. Thanks for your participation. Your responses will be turned into articles for the newsletter. (Please add more pages if needed, electronic copies are on the website. If you have a picture, please include it or email it to me.)

What first attracted you to an MG?

Why did you buy your first MG? What model was your first MG; what did you pay for it; and how long did you have it?

Everyone must have a funny story of what happened or didn't happen in his or her MG. What is your story?
